

## IMPRESSIVE PERFORMANCE FROM ELLIKON

Ellikon Fine Printers has long been committed to the principle of sustainability. Now, this core value has been reinforced with the commissioning of our new **Heidelberg Speedmaster CD-74 / 6 Colour**.

This dynamic and award winning printing press will provide customers with the following benefits:

- production efficiencies will increase by 30%
- the transfer of electronic files direct to the press will guarantee 100% colour accuracy and print consistency every time

Quality, turnaround and performance will now reach new benchmarks. We invite you to press-check the impressive performance of this press and to take advantage of all the benefits available from this cutting edge technology.
